HUEY WINS

It seems that "Kingfish" Huey Long just won't be downed. He won in elections held Tuesday. No doubt there will be cries and counter cries of fraud, and the people of America will wish that the state of Louisiana could do without the sort of publicity that she has been getting.

STILL STRIKING

It seems that there is no end to strikes and the war between capital

Labor will find after payless Saturday have passed with baneful regularity that it does not pay to listen to a flock of "organizers" and in our opinion the so-called "living squadrons" should be met by a reception committee of national guardsmen.

Forest View

Forest View, Sept. 12. Most of the tobacco has been housed, and the farmers are saving their corn. There are very good crops of both.

One of the heaviest rains of the season fell last Friday and some parts of our mail route road are badly washed.

We are glad to see that our roads are being mended. It will help us much in traveling, and we hope someday they will be highway.

Another thing we are glad to see, the Petty's Fork school house has been repaired and looks so much better.

The Sunday School which has been conducted in this building has been a joy to the community and we are making an effort to continue it another quarter.

Cardui Helped Lady For Nervousness and Run-Down Condition

"I have taken Cardui several times for weak, run-down condition and it has helped me," writes Mrs. Walter M. Condon, of Frying, Pa.

"I was nervous and suffering from a weak condition. There were days when I had to lie down during the day. I sent for six bottles of Cardui, as it had helped me before. Cardui gave me strength, stopped the nervousness and helped me in every way. . . . Cardui may be just what you need. It can't do you any harm, so why not try it? Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. It is a bottle, at drug stores.

One ride is worth a thousand words
WHAT you hear and what you read about a car should be considered before you buy—but one ride is worth a thousand words. You can learn more about the Kneec-Action Chevrolet in a few minutes at the wheel than the most enthusiastic owner can tell you. Out on the road you get nothing but facts. The best place to test Chevrolet's Kneec-Action is a stretch of bumpy road, where you can see for yourself what a big difference Kneec-Action makes in riding comfort. Chevrolet welcomes this fair and thorough test because it will acquaint you not only with the Kneec-Action ride, but with all the other features that Chevrolet owners like—the smooth, economical, valve-in-head engine that gives you more speed than you will ever care to use; the positive, cable-controlled brakes that are safe and reliable in any weather; the handsome finish and the roominess of bodies by Fisher, and the added comfort of Fisher Ventilation. For your own satisfaction, go to your nearest Chevrolet dealer and make the Ownership Test by driving a Kneec-Action Chevrolet as you would drive your own car. Chevrolet is satisfied to let you and the ride decide which car is the best for you.
